Hello Ben

It was been a while since our wedding but I wanted to let you know how great of a job you did as the DJ and host for the wedding. You really made the night great and did a great job with the crowd. Working with you and the people at MacMillan Group was one of the easiest parts of planning for our big day and one of the most important.

Thanks again!

Stephen Van Klink

Ben,

Thank you so much for the amazing entertainment you provided at our wedding!

There isn't one thing we have to complain about.

Everyone raved about the music selection and how they barely sat down, you kept them on the dance floor all night!

Thank you for everything, we'll definitely send family & friends your way 😊

Sincerely,

Jennifer & Gary Brugier
